

SECURED TICK
GROUP OF COMPANIES

Secured Tick Profile - For Equipment Inspections, Certificates & Trainings
Covering KSA and GCC to support project planning, design, and delivery.

Building Success Together

1.

Equipment Inspection & Certification

Lifting Equipment Services
Inspection, certification, testing, and maintenance of lifting systems.

- Lifting Equipment Inspection & Certification (Onshore, Offshore & Marine)
- Annual Maintenance of Cranes & Lifting Equipment
- Supply of Certified Test Weights
- Lifting & Rigging Safety Training

3.

Maintenance & Access Solutions

Repair services, preventive maintenance, and rope access operations.

- Preventive & Corrective Maintenance (PM/CM)
- IRATA Rope Access Services
- Work-at-Height & Rope Access Training

2.

Mechanical & Pressure Testing Services

Testing, certification, and inspection of mechanical, hydraulic, and pressure systems.

- Hydrostatic, Hydraulic & Pneumatic Pressure Testing
- Earthmoving Machinery Inspection & Certification
- Welding Inspection & Non-Destructive Testing (NDT)
- NDT & Welding Training Programs.

4.

Equipment & Manpower Rental

Rental of heavy equipment and a certified technical workforce.

- Equipment Rental with Certified Operators.
- Skilled Manpower Supply (Welders, Riggers, Inspectors)
- Operator & Safety Competency Training.
